FAQs

What is the dress code?

Our dress code for all areas is smart casual/party wear.
No ripped/torn jeans.

If I book a table for the party night package, will I get a table in the Keller when we move down there for the band?

Keller party night bookings include a reserved table for your party for the duration of the evening. If booking the party night and dining in an alternative venue within the hotel your party will have standing room only in the Keller after dinner.

Do you provisionally hold bookings?

We do not provisionally hold bookings for any packages. We only hold provisionally for exclusive private parties. Bookings are only secured when we receive the deposit for each individual.

Do we get a discounted bedroom rate if we book a party night with you?

Yes, but all rooms are subject to availability at the time of booking.

What is the difference between the Keller and Party Night Packages?

The package is exactly the same. It is only the location of where you dine that is different.

If I remove something from my package, will it reduce the price?

No, the prices are set as advertised.

What time does the entertainment start in the Keller on the party nights?

Entertainments starts from 9:45pm.

Can you cater for all dietary requirements?

Yes, please let us know when you send us your menu choices.

What are the age restrictions?

You must be over 18 for all party bookings. If some of your guests do not meet these requirements, we can provide special permission on request. Please note: ALL guests must carry a form of ID on them to gain entry to the Keller and Après regardless of their age.
